

10th Annual Conference of Telangana Neurosciences Society

Theme: Neurosciences in Transition: From Insight to Impact

Date: 6th - 8th March 2026 | Venue: Mamata Medical College, Khammam

Dear Friends and Colleagues,

On behalf of the Organizing Committee, it gives us immense pleasure to welcome you to TNSCON 2026, to be held in the culturally rich and scenic city of Khammam, Telangana. This eagerly anticipated conference will bring together neurosurgeons, neurologists, researchers, and allied professionals to discuss advancements, share knowledge, and forge collaborations that will shape the future of neurosciences.

Conference Theme: **Neurosciences in Transition: From Insight to Impact**

More than an academic gathering, TNSCON 2026 serves as a vibrant platform for exchanging ideas, showcasing novel approaches, and building lasting partnerships that will enhance patient outcomes and advance the understanding of complex neurological conditions. The host city, Khammam, offers the perfect backdrop for this event. With its historic Khammam Fort, sacred sites like Sri Seetha Ramachandra Swamy Temple (Bhadrachalam) and Jamalapuram Sri Venkateswara Temple, as well as natural treasures such as Bogatha Waterfalls and Lakaram Lake, Khammam blends heritage, devotion, and natural beauty with modern growth.
